Dear 4-H Shooting Sports Clubs,

I would like to take this opportunity to invite you to participate in the first annual Invitational Pre State Shoot competition to be held on February 21, 2010. This event will be hosted by and conducted at the Flagler Gun and Archery Club, 1290 County Rd 90 E, Bunnell, FL 32110, www.FlaglerGunClub.com

Registration will start at 9:00 am with competitions beginning at 10:00 am. For those that may be traveling a long distance and would like to arrive the evening before the event, I will be forwarding hotel information to your 4-H agent/contact shortly. The registration fee for each participant includes lunch, shooting supplies and awards. The lead coach for each club will receive a complementary lunch. Ammunition, eye and ear protection must be supplied by each participant. I would like to get, as soon as possible, an estimate from each club of how many total people (shooters + coaches, parents, friends etc.) you think be attending to help with the planning of this event.

Included you will find the registration form for your club along with rules and regulations for each shooting discipline and the general guidelines for the Florida 4-H shooting sports program. Each shooter must choose only 1 discipline to compete in. If you have more 5 shooters in an age division, please make copies of the registration. Please return registrations and payments to me by no later than February 16 either by email, fax or regular mail. Remember it is very important that each 4-H youth have a current Participation Form accompany them to the event. This form must be turned in at the registration desk so that all forms will be quickly accessible in an event of an emergency. If you have any questions feel free to contact me. I am very excited that Flagler County 4-H has the opportunity to host this shooting event and I look forward to seeing your 4-H members compete!

Sincerely,
Gary Thomas
