

Trinity Joy Boothe Scholarship Award

Trinity was a member of the Polk County Sea Stars 4-H Club and participated in marine science and leadership projects. This award was created in 2015 in her honor to recognize Polk County 4-H members who have demonstrated a real interest and enthusiasm for marine science and noteworthy leadership skills. The application is nomination based and is due August 1 for consideration. The scholarship funds are to be used towards youth educational enhancement and will be awarded at the 4-H banquet for each age category: Junior (8-10 years), Intermediate (11-13 years), and Senior (14-18 years). 4-H office contact info: 863-519-1041.

Instructions for consideration:

1. 4-H members must be enrolled in the 4-H marine science project, have competed in the State 4-H Marine Ecology Event (MEE) held during the current program year, and have submitted a 4-H Record Book for the marine ecology project at the end of the year (also due Aug 1).
2. Nominator must be a 4-H project or club leader. Complete the application below and submit additional information detailing marine ecology and leadership activities on time.

Name of 4-H Member: _____ 4-H Age: _____

4-H Club: _____ Years in Project: _____

Name of Nominator: _____

Nominator Contact Info: _____

Please provide a description for each bullet point in 50 words or less.

- Introduction of 4-H Member
- Participation in the marine ecology project and MEE
- Leadership roles and/or activities
