

*Agenda: Friday, February 19*  
Circle B Bar Reserve  
4399 Winter Lake Rd, Lakeland, FL 33803

Participants should wear business casual attire and closed-toe shoes for safety.

Florida weather is unpredictable and participants will be outdoors in the afternoon; please plan accordingly. Participants may want to wear a hat, sunglasses, and/or sunscreen.

Snacks, coffee, lunch and reusable water bottles will be provided.

### 9:00 am – **Welcome to Water School!**

*Refreshments provided by Lakes Region Lakes Management District*

- *Welcome to Water School: Expectations, Itinerary, and More.*

### Breakout Sessions

#### *Concurrent Session A:*

- Wetland Restoration Projects: Circle B Bar Reserve
- Water Ventures: Where Does Our Water Come From

#### *Concurrent Session B*

- Participants switch topics; each participant will attend both topics.

### 11:30 – 12:00 LUNCH

### Load Bus for Field Tour: 12:00

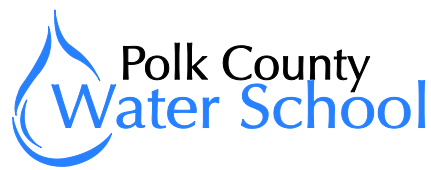

*Participants are advised that there are no restrooms at the first two locations. As such, participants are encouraged to use the restrooms before loading the bus. There is a restroom aboard the bus for emergency use.*

- Conservation, Water Quality and Public Destination: Lake Gwyn.
  - Jeff Spence
- Large Scale Water Quality Improvement Project: Lake Hancock Project.
  - Danny Kushmer and Dave Testerman
- Reclaimed Water and Water Treatment: Southwest Regional Wastewater Facility

5:00 pm - Have a great weekend!
