

## **Infant Teething Biscuits**

Yield: 12 bars

2 Tablespoons shortening

2 Tablespoons sugar

1 egg

1½ Tablespoons water

1½ teaspoons vanilla

1 teaspoon baking powder

2 cups infant cereal

1. Preheat oven to 300°F.
2. Cream shortening and sugar. Add egg, baking powder, vanilla and water. Mix well. Gradually stir in cereal.
3. Knead until smooth. Pat into 12 inch x 2¼ inch rectangles. Cut into 12 bars.
4. Place on ungreased cookie sheet. Bake 20 to 30 minutes or until dry.
5. Store uncovered overnight.
