Worker Protection Standard Train the Trainer

Registration Required, Cost $20, all WPS T-T-T start at 10:45am
Please Check with the Local Host for more information
The Worker Protection Standard (WPS) is a federal program designed to protect agricultural farm workers in the production of agricultural plants. A person is qualified to teach WPS to farm workers if he/she holds a restricted use pesticide license or if he/she has completed the WPS Train the trainer course. CEUs have been approved and available.
